

- Designed for Power, Data and Active AV Devices in the Ceiling
- Easily Installs into a Standard 2' Ceiling Tile Grid (2' x 1')
- Manages Active AV Devices (Crestron, Extron and FSR) for Signal Routing to Projectors
- 100% Steel Construction

**FEATURES**

- Active AV enclosure system designed for 2' x 2' ceiling tile grid layout
  - Side A – AV Enclosure 2' x 1'
  - Side B – Projector mount 2' x 1'
- Multiple knockouts allow for a variety of routing options for AV, data and power cables
- Installation: Suspended from the ceiling with standard threaded rod
- Provides for cable management and routing
- Eliminates unsightly cable and AV equipment
- Compatible with active AV manufactures:
  - Crestron, Extron and FSR

**SPECIFICATIONS**

- Surface Finish: White Powder coat
- Enclosure: 18Ga Cold Rolled Steel
- Slide Latch: High impact thermal plastic (ABS)
- Mounting Brackets: 18Ga welded steel

HUBBELL **Enclosures** **AV Ceiling Enclosures**

**Aesthetics**

Flush mounted, white enclosure for consistent look when mounted in the ceiling.

**Durability**

All steel rugged construction provides the ultimate strength for installation.

**Flexibility**

Designed to neatly manage multiple applications inside one enclosure.

**Reliability**

Loaded with 2 Hubbell 20 Amp duplex receptacles and a 2-gang back box.

The AV Ceiling Enclosure is designed to work with active AV devices to integrate AV distribution, data connections and power in one location, providing a direct connection to a projector or a display device.

The enclosure comes loaded with 2 - Hubbell 20A duplex receptacles and a 2-gang Raco box for installation convenience on the job site. An additional AV/data kit can be added or customized to address all connector, mounting and patching needs, reducing multiple pieces on site.

The enclosure has been designed with true Hubbell integration, offering the simplest yet versatile solution for cabling active AV equipment in the ceiling.

**APPLICATIONS**

- Hospitality: Meeting Rooms
- Education: Classrooms
- Financial: Boardrooms
- Training Facilities
- Healthcare: Conference Rooms
- Entertainment: Sports Bars
